- b. The training period also includes instruction regarding cartridges and the effective range of rifles, other than the Vintovka.
- c. Pistol firing. This instruction is given by about the same methods as are used in rifle instruction.
- d. Defensive and offensive use of hand grenades.
- e. Practical exercises, accompanying the theoretical training courses.
- This instruction goes on for thirty weeks, at a rate of two lessons a week. Then one course has been completed, every one in it gets first a theoretical emainstion, one course has been completed, every one in it gets first a theoretical emainstion, then a practical application test. The candidate then receives a diplome in the then a practical application test. The candidate then receives a diplome in the Kurs Naroden Streietz (National Course for Riflemen). The diplome is granted to those who have been successful in rifle and pistol fire (five cartridges each), then in hand grenade throwing. The hand grenade throw is controlled by a small then in hand grenade throwing. The hand grenade throw is controlled by a small apparatus. The student being tested is controlled as to time, aim, and distance, apparatus. The student being tested is controlled as to time, aim, and distance of thirty his grenade must pass through a circle 25 cm in dismeter at a distance of thirty to forty meters and must fall at least five meters beyond. This examination is held before a professor, the instructor, and an officer of DOSO, who note down the results.
- 6. The diploma distinguishes three classes, according to excellence. Six months later, the voung man receives a round insignia with a white base, on whi h are the red letters "DOSO". These youthful members of DOSO are those who, in time of need, letters "DOSO". These youthful members of DOSO are those who, in time of need, letters "DOSO". These youthful members of DOSO are those who, in time of need, letters "DOSO". These youthful members of DOSO are those who, in time of need, letters "DOSO", they will receive special training of greater severity.
